

Blackburn Floating Support Blackburn

At Blackburn Floating Support, we support people with a diagnosed mental health condition.

Diagnosed mental health conditions, include

- › Anxiety and panic disorders
- › Bipolar disorder
- › Depression
- › Personality disorders

Support

Our highly-trained staff draw up a personalised support plan with clients using the Mental Health Recovery Star model and provide mental health support five days a week, during office hours. We provide weekly contact, but this can vary to suit clients' needs.

Tailored support, advice and assistance includes

- › Daily living skills
- › Managing finances (budgeting and benefits)
- › Accessing education, training and work
- › Dealing with correspondence
- › Socialising and community involvement
- › Maintaining health, safety and security
- › Building confidence, resilience and self-esteem
- › Building positive relationships
- › Signposting and accessing other services

Eligibility

To be eligible for a place at Blackburn Floating Support, applicants must

- › Be aged 18 or over
- › Have a diagnosed mental health need
- › Live in the Blackburn area

We also provide follow-on support when clients move on from Roebuck Close, our supported housing service in Blackburn.

How to apply

To apply directly as a self-referral, please contact us on the details below. We also accept referrals from Blackburn's Community Mental Health Team (CMHT), as well as adult social care teams and other social housing landlords.
