About Sanctuary Supported Living

At Sanctuary Supported Living we provide supported housing, move-on accommodation, CQC registered services and floating support to help people across England on their pathway to independence.

We specialise in services for young people, homeless families and individuals, people with physical disabilities, learning disabilities and people with mental health needs.

Accommodation

Accommodation type

A five-bedroom shared house.

Location

A residential area of New Milton, within walking distance of shops, restaurants, parks, colleges and public transport links.

Communal areas

A kitchen, dining room, lounge and garden.

Technology

An emergency pull cord alarm system is fitted throughout the building, and personalised assistive technology is available.

Safety and security

The on-site staff office, with overnight sleep-in service, helps to ensure residents' safety and security.

Rental agreement type

Rooms are let on an assured shorthold tenancy agreement.

Care and Support

Staff draw up a personalised care and support plan with residents using the Life Star model. Our highly-trained staff are on-site 24 hours a day, seven days a week. There is an overnight sleep in and additional telephone support from management, should residents need any further support.

We work closely with local health care professionals to achieve the best outcomes for residents with changing needs. Working with the integrated learning disability team within health care and social services, we support residents to access specialist services and technology to promote their independence and reduce their need for support whilst still feeling safe.

Tailored support, advice and assistance includes:

- Managing personal care and medication
- Maintaining a tenancy
- Positive behaviour management
- Managing finances (budgeting and benefits)
- Maintaining health, safety and security
- Cooking, cleaning and shopping
- Building positive relationships
- Signposting and accessing other services
- Managing nutrition and hydration needs
