

# Corner House Floating Support

## Mansfield, Nottinghamshire

### > DISABILITY

We offer community-based support for adults aged 18 and over with learning disabilities in the Mansfield and Ashfield areas of Nottinghamshire.

- > Support available Monday to Friday, during office hours
- > Tailored and flexible support packages
- > Support in the home and local community

### Support

Our highly-trained staff help customers to create a personalised support plan using the Life Star model to identify their personal goals and live independently. Adaptable support includes telephone assistance and one-on-one sessions in the home or community.

Available five days a week during office hours, the level of support can be adjusted to suit each customer's needs, ranging from a few hours a week to more regular sessions. Additional telecare technology is available for purchase to further enhance independence.

#### Tailored support and assistance includes:

- > Daily living skills
- > Managing finances (budgeting and benefits)
- > Accessing education, work and training
- > Building and maintaining positive relationships
- > Developing hobbies and interests
- > Parenting skills
- > Building confidence, resilience and self-esteem
- > Socialising and community involvement
- > Signposting and accessing other services

### How to apply and eligibility

To apply for support from Corner House Floating Support, please contact Corner House directly or speak to your social worker.

We also accept referrals from Nottinghamshire County Council and Nottingham City Council. All support needs will be assessed before an application is accepted.

#### To be eligible for a place at Corner House Floating Support applicants must:

- > Be aged 18 or over
- > Have a learning disability
- > Live in Mansfield or Ashfield
- > Be in receipt of a personal budget or privately funded

Our floating support service is run alongside the care and support we provide at our residential care home for people with learning disabilities in the Nottinghamshire area.
