Care and Support

Everyone is supported to achieve greater independence. Staff draw up a personalised care and support plan with residents using the Life Star model. We provide 24-hour residential care and support, including personal care, depending on individual needs.

Our highly-trained staff are on-site 24 hours a day, seven days a week, giving residents peace of mind that support is always on-hand, and a bespoke nurse call system is installed throughout to provide emergency support when needed.

Residents can purchase assistive technology to further promote their independence.

Tailored care, support and assistance includes:

- Managing personal care and medication
- Socialising and community involvement
- Positive behaviour management
- Building confidence, resilience and self-esteem
- Building positive relationships
- Managing nutrition and hydration needs
- Developing hobbies and interests
- Maintaining health, safety and security
- Signposting and accessing other services
