Long-term residential care home

At Sanctuary Supported Living we deliver personalised care and support services to help people on their pathway to independence.

We provide supported housing, move-on accommodation, CQC registered services and floating support. We specialise in services for young people, homeless families and individuals, people with physical disabilities, learning disabilities and people with mental health needs.

If you would like this publication in an alternative format please contact us.

CARE AND SUPPORT

We have extensive experience in supporting adults aged 18 or over, with learning disabilities and complex needs, encouraging them to develop their skills and live as independently as possible.

Our structured package of tailored support uses the Life Star model to agree a personalised support plan, helping residents to identify their needs and aspirations. Their progress is regularly monitored and reviewed, with the plan updated to reflect any changing needs. All support is designed to help residents achieve good emotional health and improve their wellbeing and quality of life. Our highly-trained staff provide a wide range of tailored support, advice and assistance, including:

- Daily living skills
- Managing finances (budgeting and benefits)
- Cooking, cleaning and shopping
- Positive behaviour management
- Managing personal care and medication
- Developing hobbies and interests
- Maintaining health, safety and security
- Managing nutrition and hydration needs

Staff are on-site 24 hours a day and an emergency pull-cord system is installed throughout, giving residents peace of mind that support is always on-hand.

ACCOMMODATION

Located in a quiet, residential area of Longton in Stoke-on-Trent, Eastgate is within walking distance of shops, Longton town centre, a bus station and train station, and leisure facilities. Eastgate is a short drive from Trentham Gardens and Monkey Forest, as well as Stoke and Hanley town centres.

Spread over two floors, there are six en-suite rooms, four one-bedroom flats and one en-suite crisis and respite room. As residents develop their skills, they may have the option to move from an en-suite room to a one-bedroom flat, which provides opportunities for greater independence whilst still receiving personalised care and support. The communal areas include two lounges and dining rooms, a kitchen, activity rooms and quiet spaces, and a garden with an allotment. CCTV and a secure door access system are in place to help to ensure residents' safety and security.

HOW TO APPLY AND ELIGIBILITY

We accept referrals from Stoke-on-Trent City Council and Staffordshire County Council, as well as direct self-referrals. All care and support needs will be assessed before an application is accepted.

Applicants must be aged 18 or over and have a learning disability with high or critical needs.
