

Buffets, bunting, and great British spirit: Our Jubilee round-up

June 2022

It was a weekend to remember for Sanctuary Supported Living's services up and down the country!

Everyone pulled out the stops to celebrate HRH Queen Elizabeth II's Platinum Jubilee between Thursday 2 June and Sunday 5 June. Residents gathered together in red, white, and blue over the course of the four-day festivities to enjoy parties, fun-filled activities, and games which included very British buffets, bbqs, sipping afternoon tea, live music, jousting, and super-soaking those brave enough to enter the stocks.

Sanctuary's Community Investment team provided funding for almost 200 Jubilee celebrations so services could make the most of the festivities and enjoy a right royal knees-up to mark the Queen's 70 year reign.
