SUPPORT

At Weston Foyer, we provide supported housing to single young people, aged between 16 and 25, who have low to medium support needs.

Our structured package of tailored support uses the Young Person's Star model to agree a personalised support plan, helping residents to identify their needs and aspirations. Their progress is regularly monitored and reviewed, with the plan updated to reflect any changing needs. All support is designed to help residents achieve good emotional health and improve their wellbeing and quality of life. Our highly-trained staff provide a wide range of tailored support, advice and assistance, including:

- Daily living skills
- Managing finances (budgeting and benefits)
- Maintaining a tenancy
- Dealing with correspondence
- Maintaining health, safety and security
- Building confidence, resilience and self-esteem
- Accessing education, training and employment
- Signposting and accessing other services

Staff are on-site from 8am to 6pm, Monday to Friday, with an overnight concierge service seven days a week, giving residents peace of mind that support is always available. We also provide follow-on support when residents move on to live independently.

ACCOMMODATION

Situated in a quiet, residential area of Weston-Super-Mare, Weston Foyer is within walking distance of shops, restaurants, a college, public transport links and the seafront.

Spread over two floors, there are 34 part-furnished one-bedroom flats. Residents are encouraged to add personal touches, such as pictures or ornaments, to make their flat feel more homely. The communal areas include a lounge, laundry room, computer room, activity room and garden, providing residents with space to relax in peace and quiet, or to socialise with others. For added peace of mind, CCTV and a secure door entry system are used to help ensure Weston Foyer is a safe and secure place to live.
